Objects Practice Projects

I can complete a practice AP free-response question.

Starter

With no restrictions, what would you want to be when you grow up? Why? Your answer does not have to be "realistic" ie astronaut, movie star, Jedi are all acceptable answers.

Collaborate Board

What do you want to be when you grow up?

With no restrictions, what would you want to be when you grow up? Why? Your answer does not have to be "realistic" ie astronaut, movie star, Jedi are all acceptable answers.

How to Edit

Click [Edit This Slide](#) in the plugin to make changes.

Don't have the Nearpod add-on? Open the "Add-ons" menu in Google Slides to install.

I can complete a practice AP free-response question.

Concepts

What attributes does your chosen role have?

What can your role do?

Example:

A ballerina has a:

- name
- company
- age
- level

A ballerina can:

- dance
- put on a costume
- receive flowers

I can complete a practice AP free-response question.

When I Grow Up Project

Define a class that represents an answer to the question "What do you want to be when you grow up?"

Your answer does not have to be "realistic."

See the starter code repl.it for full instructions.

I can complete a practice AP free-response question.

Exit Ticket

Which object-oriented concept did you find most challenging when working on this project? Why?

Open Ended Question
